### Update to regulations on Grand Cru vineyards

#### **May 2022**

The INAO has updated the regulations of permitted grape varieties allowed in Alsace Grand Cru wines

From 2022 the Grand Cru's **Hengst and Kirchberg de Barr** will be permitted to produce red Grand Cru wines from Pinot Noir.

The production must adhere to strict yield levels and the wine must age for a minimum of 10 months prior to release

#### **July 2024**

A recent update from the INAO has included Pinot Noir to be recognised for Grand Cru wines in the **Vorbourg Grand Cru**
